

Gourmet Food & Wine Weekend

Yarra Valley Sample Itinerary

The Yarra Valley is one of Victoria's premium food and wine growing regions. The area produces award winning Chardonnay and Pinot Noir and is home to many diverse local artisan food producers. Based in Healesville, the weekend is a wonderful combination of luxury accommodation, tastings at iconic wineries, a privately arranged hands-on cooking masterclass with one of the Yarra Valley's best known chefs and delicious samplings in boutique kitchens - all in a small group of eight people.

Luxury accommodation in the heart of the valley - Our boutique Healesville accommodation has a spacious dining room for our own private dinner, with a swimming pool for summer and fireplace for winter weekends.

Cheese and Preserves with Jam Lady Jam – Lisa O'Connor takes us into her kitchen for a tasting of Yarra Valley Dairy cheese expertly matched with her delectable Jam Lady Jam preserves.

Kennedy & Wilson - Chocolate and red wine Workshop - Peter Wilson – chocolatier extraordinaire – combines his passions for making chocolate and wine.

Tarrawarra Estate – Vintage Chardonnay tasting with their Sommelier in the winery's barrel room. After the tasting, you'll enjoy a light platter lunch served in the restaurant.

Cooking Class at Bella Vedere – with chef Cary Cooper. At the purpose built cooking school at Bella Vedere, you'll pick up tips from chef Gary Cooper as you cook alongside him in this hands-on cooking class.

Pinot Noir tasting at Pimpernel Winery – with the man behind the name, winemaker Mark Horrigan.

Dominique Portet – Sparkling Wine tasting in the barrel room.
